God Bless My Horse Oct 15 2021 "God Bless My Horse", the title poem of my book, is a poem that tells how God has blessed this man's horse and by blessing his horse, has blessed the man's entire life, and all the stupid, crazy things he (and I) have ever done. While reading this book, you will see that, not only this poem, but the whole book actually tells the stories from the view of a young man during his developing spiritual journey through life, to an older man, who thrives on his relationship with GOD. Throughout it all, God has always been there! In this book, a lifetime of thoughts, humor, and emotions are written in poetry, with a distinct West Texas flavor, including the unique dialog and colloquialisms of the people of the area. Many of the poems are of the old west, telling tales of cowboys, Native Americans, and horses. Others talk about my working experiences as a lineman and with the oilfields. All the poems are stories of my life experiences and how I talked to God throughout these experiences.

Throughout the book is the expression of my strong Christian faith and love for the one true God. It is my expressed wish that anyone who reads this book will not only enjoy the book, but that they will also receive the good news of God's love and grace provided by his son, Jesus.

Close Call Feb 25 2020 Ex-amateur boxer and failed advertising account executive Jack Doyle, hero of Blind Switch, returns to the world of thoroughbred horse racing at a suburban Chicago track. With the help of furrier-to-the-mob Moe Kellman, Doyle is hired as publicity director at Monee Park - a struggling racetrack owned by heiress Celia McCann. Celia, whose husband is afflicted with Lou Gehrig's disease, is fighting to keep the business afloat while awaiting passage of a law allowing the introduction of lucrative video slot machines. She's determined to maintain the business inherited from her beloved uncle Jim Joyce. However, she is under pressure from her co-heir and cousin, Niall Hanratty, to close the track and sell the valuable property to real estate developers. Niall will stop at nothing to convince Celia to sell, even hiring thugs from Chicago's Canaryville neighborhood to help persuade her. Can the exploits of star sprinter Rambling Rosie save the track? Or will Doyle hold the key? Written from an insider's viewpoint, and featuring a robust cast of offbeat characters, Close Call provides entertaining insight into the unique world of American horse racing with a climax as exciting as a Derby photo finish.

The Secret Horses of Briar Hill Sep 02 2020 "Deserves a spot on the shelf next to the most beloved children's classics—yes, even The Secret Garden." —Shelf Awareness, Starred Review Described as "reminiscent of the Chronicles of Narnia" in a starred review, The Secret Horses of Briar Hill shows readers everywhere that there is color in our world—they just need to know where to look. There are winged horses that live in the mirrors of Briar Hill hospital—the mirrors that reflect the elegant rooms once home to a princess, now filled with sick children. Only Emmaline can see the creatures. It is her secret. One morning, Emmaline climbs over the wall of the hospital's abandoned gardens and discovers something incredible: a white horse with a broken wing has left the mirror-world and entered her own. The horse, named Foxfire, is hiding from a dark and sinister force—a Black Horse who hunts by colorless moonlight. If Emmaline is to keep him from finding her new friend, she must surround Foxfire with treasures of brilliant shades. But where can Emmaline find color in a world of gray? A Kirkus Reviews Best Book of 2016 "Endearing characters, metaphors for life and death, and a slow revelation of the horrors of war give this slim novel a surprising amount of heft."—Booklist, Starred Review "In clear, gripping, flawless prose . . . this exquisite, beautifully illustrated middle-grade novel explodes with raw anguish, magic and hope, and readers will clutch it to their chests and not want to let go."—Shelf Awareness, Starred Review "Reminiscent of the Chronicles of Narnia, Elizabeth Goudge, or a child's version of Life of Pi. . . . Readers will love this to pieces." —Kirkus Reviews, Starred Review "Magical, terrifying, and full of heart. Open these pages, and ride true."—Newbery Honor-winning author Kathi Appelt "A remarkable book. Astonishing!"—Michael Morpurgo, author of War Horse

The Adventures of Slim & Howdy May 22 2022 Exclusive CD! Brooks & Dunn's "Gotta Get Me One of Those" inside! Musicians by trade, Slim and Howdy have each come to a figurative crossroads in their lives. As fate would have it, they meet at these crossroads, never realizing it's a turning point in their lives. Forced by circumstances to share a truck, they take to the road in pursuit of a common goal--to make it as musicians on the country music circuit. But it seems no matter where these two travel, trouble finds them. Whether it's turning the tables on a crooked card shark who takes everything they have, or fending off the raging boyfriend of that friendly gal from last night, the guys are constantly needing to outwit the world. And when their friend and boss Jodie Lee disappears, their resourcefulness will truly be tested. Each of the guys has his theory, but they'll need to work together to get to their friend before time runs out.

Santa Fe Employes' Magazine Jan 18 2022

Crazy Horse Jun 23 2022 Crazy Horse was as much feared by tribal foes as he was honored by allies. His war record was unmatched by any of his peers, and his rout of Custer at the Little Bighorn reverberates through history. Yet so much about him is unknown or steeped in legend. Crazy Horse: A Lakota Life corrects older, idealized accounts—and draws on a greater variety of sources than other recent biographies—to expose the real Crazy Horse: not the brash Sioux warrior we have come to expect but a modest, reflective man whose courage was anchored in Lakota piety.

Kingsley M. Bray has plumbed interviews of Crazy Horse's contemporaries and consulted modern Lakotas to fill in vital details of Crazy Horse's inner and public life. Bray places Crazy Horse within the rich context of the nineteenth-century Lakota world. He reassesses the war chief's achievements in numerous battles and retraces the tragic sequence of misunderstandings, betrayals, and misjudgments that led to his death. Bray also explores the private tragedies that marred Crazy Horse's childhood and the network of relationships that shaped his adult life. To this day, Crazy Horse remains a compelling symbol of resistance for modern Lakotas. Crazy Horse: A Lakota Life is a singular achievement, scholarly and authoritative, offering a

complete portrait of the man and a fuller understanding of his place in American Indian and United States history.

Rawhide Robinson Rides a Wormhole Mar 08 2021 "Forget Pecos Bill, Deadwood Dick, and even Buffalo Bill. Rawhide Robinson tops them all."—Johnny D. Boggs, Western Writers Hall of Fame author RAWHIDE ROBINSON RIDES A WORMHOLE: The True Tale of Bravery and Daring in the Weird West Extraordinary things often happen to ordinary cowboy Rawhide Robinson. While riding herd on a ranch in the remote Nevada desert, a lightning strike zaps him into the middle of the twentieth century and the middle of Area 51, a top-secret experimental airbase where strange things are said to happen. A chance encounter with Eric, a young teenager, helps the discombobulated cowboy escape the clutches of military police, the CIA, and local law enforcement, and gets him mixed up in a kidnapping by Las Vegas mobsters. All the while, Rawhide Robinson entertains with his signature tall tales as he wonders if he will ever get out of the modern world and back to the Old West. "Move over Pecos Bill. Step aside Bunyan, and take that mangy blue ox with you. There's a new man riding the range, a teller of tales as tall as the Rocky Mountains and as slick as a goose on grease. His name is Rawhide Robinson." —Michael Zimmer, Wrangler and Spur Award-winning author

Crazy Horse Dec 05 2020 "A family account of the life of Tashunke Witko, their great Sioux relative . . . For the first time, the Clown family members tell their oral history."—True West The Edward Clown family, nearest living relatives to the Lakota war leader, presents the family tales and memories told to them about their famous grandfather. In many ways the oral history differs from what has become the standard and widely accepted biography of Crazy Horse. The family clarifies the inaccuracies and shares their story about the past, including what it means to them to be Lakota, the family genealogy, the life of Crazy Horse and his motivations, his death, and why they chose to keep quiet with their knowledge for so long before finally deciding to tell the truth as they know it. This book is a compelling addition to the body of works about Crazy Horse and the complicated and often conflicting events of that time period in American History. "For the first time the first-hand account of Crazy Horse is told . . . The stories were faithfully passed down through the generations . . . It includes Crazy Horse's account of the last moments of Custer and the near-killing of Maj. Marcus Reno by Crazy Horse's father."—Capital Journal "After many years of keeping quiet, the family of Lakota warrior Crazy Horse decided to tell their story of his life and legacy . . . The truth behind the history of Crazy Horse—an iconic Native American warrior—until recently has been kept hidden for more than a century."—The Monroe News

Southern Fried Child in Home Seeker's Paradise Aug 21 2019 "On one level Southern Fried Child is a charming account of the unusual experiences of an unusual child. On another level Moomaw's stories reflect profound and valuable insight into the stratified social, political and denominational milieu of a small southern town after World War II and before Brown v. Board of Education."--Back cover.

Crazy Horse Apr 09 2021 "A treat . . . Insightful . . . Refreshing . . . A must-have . . . Not only is Sajna's work a valuable historical resource, it makes for a compelling read as well."—American History "There has to be someone left to tell the tale." Little did the legendary war chief Crazy Horse know when he spoke these words in battle that it was his tale that people would be telling long after his death. Now, author Mike Sajna brings the renowned warrior back to life in this book about his epic struggle to save his culture and homeland amid the westward movement of white settlers. Sajna follows Crazy Horse from his days as a young boy chasing down wild horses to his later years as "one of the bravest of the brave," and includes new views on his role in the Battle of Little Big Horn and his eventual surrender and murder. Using an extensive collection of historic records, Crazy Horse is one of the most accurate accounts of the great Oglala chief, separating the facts from the many myths that have been passed down by other writers

The Old West Adventures of Ornerly and Slim May 10 2021 Montana Kid Hammer continues his distinct brand of American old fashion storytelling tradition with, *Back in the Saddle Again*, the second novel in The Old West Adventures of Ornerly and Slim cowman series. Ornerly, a schoolteacher and Civil War survivor turned veteran cowhand, and Slim, a young Philadelphia orphan now a part learned cowman continue to ride for the brand simply known as the O U T (Oh-Ewe-Tee) Spread. Their partnership is rekindled as they are back in their saddles again to face down cantankerous critters, the harsh western prairie elements, the lay of the land, payroll robbing outlaws, run away stagecoaches, countless dangers of a cattle drive, a cow hunt, along with some not so common cowmen calamities. Ornerly and Slim labor to craft an ongoing relationship with the boss, their many pards, and their calico-gal friends, all while building a hearty proficiency around the cow craft of their day. The setting for this storybook is far less fictional and happens on the high plains of the very real North American frontier west, circa 1880s. Also shared is that time-honored cattlemen's code of the west, the one so highly prevalent in the folk of the era, and played out by this tomes many matchless characters. Conveyed are humorous escapades of the cowmen as they ply their cow craft for the brand. The anecdotal happenings are said so as to expose the wide range of cowman endeavors encountered along the trails and upon the plains of that very same unsettled frontier. This novel is designed to rekindle fond recollections of Old West evenings sat around campfires to a plethora of untold, yet hair-raising cowman tales. Here is a genuinely marvelous opportunity to return to those wild and woolly days of America's western yesteryear.

Tomahawk, Fighting Horse of the Old West Aug 25 2022 DigiCat Publishing presents to you this special edition of "Tomahawk, Fighting Horse of the Old West" by Thomas C. Hinkle. Horses, Hitches, and Rocky Trails Mar 28 2020 Horses, Hitches, and Rocky Trails is the most complete presentation available of the method of packing for the wilderness. The full treatment is amplified by the brilliant drawings by Joe Back, a most-able artist, as well as a man who knows what he is talking about from personal experience. Back includes step-by-step instructions on not only how to prepare for heading out into the wilderness, but also how to cope with the elements. Some of the lessons taught in this book include: Packing horses Equipment Balancing the load Making camp Getting along in the wilderness Final ties And many more! Horses, Hitches, and Rocky Trails is for both the amateur just learning how to prepare for the wilderness and the professional packer looking for some new tips. With wonderful illustrations, Joe Back makes it easy to be prepared and safe on your travels. So whether this is your first time out or you're a seasoned veteran, make sure that Horses, Hitches, and Rocky Trails is included with the rest of your packed equipment.

Her Kind of Cowboy Nov 23 2019 A FAMILIAR STRANGER Jesse Calder had left Abby Martin waiting under the old cottonwood tree with a promise to return.... That had been five years ago. Now, a horrific accident, lies and secrets stood between them, but when Jesse had the chance to work at Abby's ranch again, he took it. Yes, she was a widow and a mother, and not quite as forgiving as he'd hoped, but time had changed him, too. He simply could not ignore the spark inside that yearned to reignite the heat between them. Or forget that Abby's little girl had eyes an all-too-familiar shade of Calder blue....

Blood Horses Jun 30 2020 One evening late in his life, veteran sportswriter Mike Sullivan was asked by his son what he remembered best from his three decades in the press box. The answer came as a surprise. "I was at Secretariat's Derby, in '73. That was . . . just beauty, you know?" Sullivan

didn't know, not really: the track had always been a place his father disappeared to once a year on business, a source of souvenir glasses and inscrutable passions in his Kentucky relatives. But in 2000, Sullivan, an editor and essayist for Harper's, decided to educate himself. He spent two years following the horse—both across the country, as he watched one season's juvenile crop prepare for the Triple Crown, and through time, as he tracked the animal's constant evolution in literature and art, from the ponies that appeared on the walls of European caves 30,000 years ago, to the mounts that carried the Indo-European language to the edges of the Old World, to the finely tuned but fragile yearlings that are auctioned off for millions of dollars apiece every spring and fall. The result is a witty, encyclopedic, and in the end profound meditation on what Edwin Muir called our "long-lost archaic companionship" with the horse. Incorporating elements of memoir and reportage, the Wunderkammer and the picture gallery, *Blood Horses* lets us see—as we have never seen before—the animal that, more than any other, made us who we are.

Eagle's Wish Sep 21 2019 In this second book of the Captive Hearts series the story of Carrie Ashton continues as the Comanche band she is now part of struggles to remain free as the white man wants to push all Native American people onto reservations and take the land for themselves. As the soldiers attack and destroy the Comanche camps; food sources become scarce as buffalo hunters decimate one of the main Comanche resources, and the white man moves westward, Carrie, now known as Blue Eyes, fights to keep her family together.

[Lateral Transfer](#) Aug 13 2021 When John 'Smitty' Smith is called into the office and given his official notice of dismissal from government employment, he is offered another position. In an effort to keep working long enough to vest his pension with the government, John accepts a transfer. He is not told what his new assignment will entail, but he is told it is a 'lateral transfer'. He then finds himself sent to a secret facility in the Southwest, very close to the border of Mexico. John, the paper-pushing office worker, is put in a situation where he is shooting it out with Mexican drug lords. He is put in charge of a team that includes a dope smoking Marine vet who has an anti-authority attitude. When John and his small team are not chaperoning military contractors testing weapons to sell to the government, they are expected to do their best to keep the bad guys off the government property and away from the secret facility.

The Saturday Evening Post Jul 12 2021

Dead Oak Flats Nov 04 2020 This is a different kind of Science Fiction story. We were sitting around talking at work about what we watched on Saturday morning when we were kids. For some of them it was cartoons. For others and me it was the old B westerns. A friend suggests that I should write a western. I decided why not. Therefore, I wrote *Dead Oak Flats*. It is a story of a rancher and his friend, a miner, who try to make a go of it on their cattle ranch. It is located on a new planet that is just being settled with a local inhabitant who is not happy about them being there. Of course, there are horses and cattle and bad guys who want to take their mine and ranch away. When I finished I gave it to my friend. He seemed to like it. I hope you will too.

The Little White Horse Jun 18 2019 'The Little White Horse was my favourite childhood book. I absolutely adored it. It had a cracking plot. It was scary and romantic in parts and had a feisty heroine.' - JK Rowling - *The Bookseller* In 1842, thirteen-year-old orphan Maria Merryweather travels to her family's ancestral home, Moonacre Manor, to live with her uncle Sir Benjamin. She immediately feels right at home with her kind and funny uncle and meets a wonderful set of new friends — but she quickly learns that beneath all this beauty and comfort, a past feud haunts Moonacre Manor and it's her destiny to right the wrongs of her ancestors and restore the peace to Moonacre Valley. A beautifully written fantasy story filled with magic, a Moon Princess, and a mysterious white horse. *Little White Horse* and the delightful heroine, Maria Merryweather, are sure to be loved by all children.

Buffalo Bill and Sitting Bull Aug 01 2020 Army scout, buffalo hunter, Indian fighter, and impresario of the world-renowned "Wild West Show," William F. "Buffalo Bill" Cody lived the real American West and also helped create the "West of the imagination." Born in 1846, he took part in the great westward migration, hunted the buffalo, and made friends among the Plains Indians, who gave him the name Pahaska (long hair). But as the frontier closed and his role in "winning the West" passed into legend, Buffalo Bill found himself becoming the symbol of the destruction of the buffalo and the American Indian. Deeply dismayed, he spent the rest of his life working to save the remaining buffalo and to preserve Plains Indian culture through his Wild West shows. This biography of William Cody focuses on his lifelong relationship with Plains Indians, a vital part of his life story that, surprisingly, has been seldom told. Bobby Bridger draws on many historical accounts and Cody's own memoirs to show how deeply intertwined Cody's life was with the Plains Indians. In particular, he demonstrates that the Lakota and Cheyenne were active cocreators of the Wild West shows, which helped them preserve the spiritual essence of their culture in the reservation era while also imparting something of it to white society in America and Europe. This dual story of Buffalo Bill and the Plains Indians clearly reveals how one West was lost, and another born, within the lifetime of one remarkable man.

[Cross Country with Horse and Hound](#) Feb 07 2021 Strange as it may seem, there never has been a book published in America on the subject of cross country riding to hounds. Having moved into a hunting country without previous knowledge of the sport, the author undertook to follow the hounds after witnessing a run from a friend's carriage. To his chagrin, he discovered how much he had been against the unwritten laws of the hunting field, and he determined to place in the hands of similar uninitiated ones something in the nature of a guide. This work is therefore intended to give the novice an insight into the game from the point of view both of hunting and of riding, so that he may obtain from the sport a full measure of the delights it has to offer. The author has had considerable experience in breeding, rearing, and schooling hunters and has been fortunate in bringing to this work quite extensive observations of many different packs of hounds in European countries, as well as in the United States and Canada. His chief aim is to encourage this most noble sport for sport's sake, to contrast the genuine sportsman with the artificial, and to pay to that noblest of animals, the horse, and especially the "hunter," a debt of gratitude for many a glorious hour in his company.
