*Travels During the Years 1787, 1788, & 1789* Dec 25 2019

*Twelve Years a Slave* Dec 17 2021 Describes the life of Solomon Northup, a free Black man from Saratoga, N.Y., who was kidnapped in 1841 and forced into slavery in Louisiana for twelve years.

*Pig Years* Apr 28 2020 This captivating memoir is a “startling testimony to the glories and sorrows of raising and harvesting plants and animals” (Anthony Doerr, best-selling author of *All the Light We Cannot See*), as an itinerant farmhand chronicles the wonders hidden within the ever-blooming seasons of life, death, and rebirth. *Pig Years* catapults American nature writing into the 21st century, and has been hailed by Lydia Davis and Aimee Nezhukumatathil as “engrossing” and “a marvel.” As a farmer in Upstate New York and Vermont, Ellyn Gaydos lives on the knife edge between loss and gain. Her debut memoir draws us into this precarious world, conjuring with stark simplicity the lifeblood of the farm: its livestock and stark full moons, the sharp cold days lives near to the land. Joy and tragedy are frequent bedfellows. Fields go barren and animals meet their end too soon, but then their bodies become food in a time-old human ritual. Seasonal hands are ground down by the hard work, but new relationships are formed, love blossoms and Gaydos yearns to become a mother. As winter’s dark descends, *Pig Ears* draws us into a violent and gorgeous world where pigs are star-bright symbols of hope and beauty surfaces in the furrows, the sow, even in the slaughter. In hardy, lyrical prose that recalls the agrarian writing of Annie Dillard and Wendell Berry, Gaydos asks us to bear witness to the work that sustains us all and to reconsider what we know of survival and what saves us. *Pig Years* is a rapturous reckoning of love, labor, and loss within a landscape given to flux.

*In Five Years* Jul 24 2022 A NEW YORK TIMES BESTSELLER A Good Morning America, FabFitFun, and Marie Claire Book Club Pick “*In Five Years* is as clever as it is moving, the rare read-in-one-sitting novel you won’t forget.” —Chloe Benjamin, New York Times bestselling author of *The Immortalists* Perfect for fans of *Me Before You* and *One Day*—a striking, powerful, and moving love story following an ambitious lawyer who experiences an astonishing vision that could change her life forever. Where do you see yourself in five years? Dannie Kohan lives her life by the numbers. She is nothing like her lifelong best friend—the wild, whimsical, believes-in-fate Bella. Her meticulous planning seems to have paid off after she nails the most important job interview of her career and accepts her boyfriend’s marriage proposal in one fell swoop, falling asleep completely content. But when she awakens, she’s suddenly in a different apartment, with a different ring on her finger, and beside a very different man. Dannie spends one hour exactly five years in the future before she wakes again in her own home on the brink of midnight—but it is one hour she cannot shake. *In Five Years* is an unforgettable love story, but it is not the one you’re expecting.

*The Gilded Years* Dec 05 2020 A captivating historical novel based on the true story of Anita Hemmings, the first Black student to attend the prestigious Vassar College by — passing as white. For fans of *The Vanishing*

*Half and The Gilded Age. SOON TO BE A MAJOR MOTION PICTURE* Since childhood, Anita Hemmings has longed to attend the country's most exclusive school for women, Vassar College. Now, a bright, beautiful senior in the class of 1897, she is hiding a secret that would have banned her from admission: Anita is the only African-American student ever to attend Vassar. With her olive complexion and dark hair, she has successfully passed as white, but now finds herself rooming with Lottie Taylor, an heiress of one of New York's most prominent families. Though Anita has kept herself at a distance from her classmates, Lottie's sphere of influence is inescapable, her energy irresistible, and the two become fast friends. Pulled into her elite world, Anita learns what it's like to be treated as a wealthy, educated white woman - the person everyone believes her to be - and even finds herself in a heady romance with a well-off Harvard student. But when Lottie becomes curious about Anita's family the situation becomes particularly perilous, and as Anita's graduation looms, those closest to her will be the ones to dangerously threaten her secret. Set against the vibrant backdrop of the Gilded Age, an era when old money traditions collided with modern ideas, *The Gilded Years* is a story of hope, sacrifice and betrayal - and a gripping account of how one woman dared to risk everything for the chance at a better life. 'Smart and thoughtful ... A must-read' PopSugar 'Insightfully grapples with complex and compelling issues' Booklist 'The beautiful and the damned takes on a whole new meaning ... A poignant imagining inside the most complex survival phenomenon: passing. With the grandeur of the Gilded Age intertwined with romance and suspense, you won't be able to put this period piece down until you know how her story ends.' Vanity Fair

*Women's History of the Christian Church* Apr 09 2021 Tracing two thousand years of female leadership, influence, and participation, Elizabeth Gillan Muir examines the various positions women have filled in the church. From the earliest female apostle, and the little known stories of the two Marys - the Virgin Mary and Mary Magdalene - to the enlightened duties espoused by the nun, the abbess, and the anchorite, and the persecutions of female "witches," Muir uncovers the rich and often tumultuous relationship between women and Christianity. Offering broad coverage of both the Catholic and Protestant traditions and extending geographically well beyond North America, *A Women's History of the Christian Church* presents a chronological account of how women developed new sects and new churches, such as the Quakers and Christian Science. The book includes a timeline of women in Christian history, over 25 black-and-white illustrations, a glossary, and a list of primary and secondary sources to complement the content in each chapter.

*Effective and Caring Leadership in the Early Years* Feb 07 2021 'This book introduces an intriguing juxtaposition of "caring" alongside "effective", and it is a thought-provoking book. The Cholera Years Jan 18 2022 Cholera was the classic epidemic disease of the nineteenth century, as the plague had been for the fourteenth. Its defeat was a reflection not only of progress in medical knowledge but of enduring changes in American social thought. Rosenberg has focused his study on New York City, the most highly developed center of this new society. Carefully documented, full of descriptive detail, yet written with an urgent sense of the drama of the epidemic years, this narrative is as absorbing for general audiences as it is for the medical historian. In a new Afterword, Rosenberg discusses changes in historical method and concerns since the original publication of *The Cholera Years*. "A major work of interpretation of medical and social thought . . . this volume is also to be commended for its skillful, absorbing presentation of the background and the effects of this dread disease."—I.B. Cohen, *New York Times* "The Cholera Years is a masterful analysis of the moral and social interest attached to epidemic disease, providing generally applicable insights into how the connections between social change, changes in knowledge and changes in technical practice may be conceived."—Steven Shapin, *Times Literary Supplement* "In a way that is all too rarely done, Rosenberg has skillfully interwoven medical, social, and intellectual history to show how medicine and society

interacted and changed during the 19th century. The history of medicine here takes its rightful place in the tapestry of human history."—John B. Blake, *Science*

*Six Years* Mar 28 2020 The bestselling author and creator of the hit Netflix drama *The Stranger* explores the dangers of obsession in this #1 New York Times bestselling masterpiece of modern suspense. *The Next 500 Years* Jul 12 2021 An argument that we have a moral duty to explore other planets and solar systems—because human life on Earth has an expiration date. Inevitably, life on Earth will come to an end, whether by climate disaster, cataclysmic war, or the death of the sun in a few billion years. To avoid extinction, we will have to find a new home planet, perhaps even a new solar system, to inhabit. In this provocative and fascinating book, Christopher Mason argues that we have a moral duty to do just that. As the only species aware that life on Earth has an expiration date, we have a responsibility to act as the shepherd of life-forms—not only for our species but for all species on which we depend and for those still to come (by accidental or designed evolution). Mason argues that the same capacity for ingenuity that has enabled us to build rockets and land on other planets can be applied to redesigning biology so that we can sustainably inhabit those planets. And he lays out a 500-year plan for undertaking the massively ambitious project of reengineering human genetics for life on other worlds. As they are today, our frail human bodies could never survive travel to another habitable planet. Mason describes the toll that long-term space travel took on astronaut Scott Kelly, who returned from a year on the International Space Station with changes to his blood, bones, and genes. Mason proposes a ten-phase, 500-year program that would engineer the genome

so that humans can tolerate the extreme environments of outer space--with the ultimate goal of achieving human settlement of new solar systems. He lays out a roadmap of which solar systems to visit first, and merges biotechnology, philosophy, and genetics to offer an unparalleled vision of the universe to come.

What Matters in College? Jan 26 2020 "Astin presents a completely new and expanded study of how students change and develop in college -- and reveals how colleges can enhance that development. Based on a study of more than 20,000 students, 25,000 faculty members, and 200 institutions, the book shows how academic programs, faculty, student peer groups, and other variables affect students' college experiences, and how these factors can shape students' personalities and behavior; values and beliefs; and academic, cognitive, and career development."--Page [4] of cover.

1000 Years of Joys and Sorrows Apr 21 2022 In his widely anticipated memoir, Ai Weiwei - one of the world's most famous artists and activists - tells a century-long epic tale of China through the story of his own extraordinary life and the legacy of his father Ai Qing, the nation's most celebrated poet In his widely anticipated memoir, Ai Weiwei - one of the world's most famous artists and activists - tells a century-long epic tale of China through the story of his own extraordinary life and the legacy of his father, Ai Qing, the nation's most celebrated poet. Hailed as 'the most important artist working today' by the Financial Times and as 'an eloquent and unsilenceable voice of freedom' by the New York Times, Ai Weiwei has written a sweeping memoir that presents a remarkable history of China over the last 100 years while illuminating his artistic process. Once an intimate of Mao Zedong, Ai Weiwei's father was branded a rightist during the Cultural Revolution, and he and his family were banished to a desolate place known as 'Little Siberia', where Ai Qing was sentenced to hard labour cleaning public toilets. Ai Weiwei recounts his childhood in exile, and his difficult decision to leave his family to study art in America, where he befriended Allen Ginsberg and was inspired by Andy Warhol. With candour and wit, he details his return to China and his rise from artistic unknown to art world superstar and international human rights activist - and how his work has been shaped by living under a totalitarian regime. Ai Weiwei's sculptures and installations have been viewed by millions around the globe, and his architectural achievements include helping to design the iconic Bird's Nest Olympic Stadium in Beijing. His political activism has long made him a target of the Chinese authorities, which culminated in months of secret detention without charge in 2011. Here, for the first time, Ai Weiwei explores the origins of his exceptional creativity and passionate political beliefs through his own life story and that of his father, whose own creativity was stifled. At once ambitious and intimate, 1000 Years of Joys and Sorrows offers a deep understanding of the myriad forces that have shaped modern China, and serves as a timely reminder of the urgent need to protect freedom of expression.

The Years Oct 27 2022 WINNER OF THE 2022 NOBEL PRIZE IN LITERATURE

Shortlisted for the 2019 Man Booker International Prize Considered by many to be the iconic French memoirist's defining work and a breakout bestseller when published in France in 2008 *The Years* is a personal narrative of the period 1941 to 2006 told through the lens of memory, impressions past and present—even projections into the future—photos, books, songs, radio, television and decades of advertising, headlines, contrasted with intimate conflicts and writing notes from 6 decades of diaries. Local dialect, words of the times, slogans, brands and names for the ever-proliferating objects, are given voice here. The voice we recognize as the author's continually dissolves and re-emerges. Ernaux makes the passage of time palpable. Time itself, inexorable, narrates its own course, consigning all other narrators to anonymity. A new kind of autobiography emerges, at once subjective and impersonal, private and collective. On its 2008 publication in France, *The Years* came as a surprise. Though Ernaux had for years been hailed as a beloved, bestselling and award-winning author, *The Years* was in many ways a departure: both an intimate memoir "written" by entire generations, and a story of generations telling a very personal story. Like the generation before hers, the narrator eschews the "I" for the "we" (or "they", or "one") as if collective life were inextricably intertwined with a private life that in her parents' generation ceased to exist. She writes of her parents' generation (and could be writing of her own book): "From a common fund of hunger and fear, everything was told in the "we" and impersonal pronouns." Co-winner of the 2018 French-American Foundation Translation Prize in Nonfiction Winner of the 2017 Marguerite Yourcenar Prize for her entire body of work Winner of the 2016 Strega European Prize

*The Missing Years* Aug 13 2021 A woman's unsolved family history comes back to haunt her in an eerie, old, isolated manor in the Scottish Highlands. Ailsa Calder has inherited half of a house. The other half belongs to a man who disappeared from her life without a trace twenty-seven years ago—her father. Leaving London behind to settle the inheritance, Ailsa returns to her childhood home, nestled amongst the craggy peaks of the Scottish Highlands, joined by the half-sister who's almost a stranger to her. Ailsa can't escape the claustrophobic feeling that the house itself is watching her—as if her past hungers to consume her. She also can't ignore how the neighborhood animals refuse to set one foot within the gates of the garden. When the first nighttime intruder shows up and the locals in the isolated community pry into her plans for the manor, Ailsa becomes terrified that the mysteries surrounding the beautiful old home will cost her everything.

*The New York Times Book Review* May 10 2021 A “delightful” (Vanity Fair) collection from the longest-running, most influential book review in America, featuring its best, funniest, strangest, and most memorable coverage over the past 125 years. Since its first issue on October 10, 1896, *The New York Times Book Review* has brought the world of ideas to the reading public. It is the publication where authors have been made, and where readers first encountered the classics that have enriched their lives. Now the editors have curated the Book Review's dynamic 125-year history, which is essentially the story of modern American letters. Brimming with remarkable reportage and photography, this beautiful book collects interesting reviews, never-before-heard anecdotes about famous writers, and spicy letter exchanges. Here are the first takes on novels we now consider masterpieces, including a long-forgotten pan of *Anne of Green Gables* and a rave of *Mrs. Dalloway*, along with reviews and essays by Langston Hughes, Eudora Welty, James Baldwin, Nora Ephron, and more. With scores of stunning vintage photographs, many of them sourced from the Times's own archive, readers will discover how literary tastes have shifted through the years—and how the Book Review's coverage has shaped so much of what we read today.

*Debt* May 22 2022 Graeber radically challenges our understanding of debt. He illustrates how for more than 5000 years—long before the invention of coins or bills—there existed debtors and creditors who used elaborate credit systems to buy and sell goods.

*Ten Years* Aug 21 2019 ‘Some days I feel like I’ve lived more than one lifetime, so, couldn’t we be right for each other this time around?’

Everyone is talking about this book: [REDACTED] ‘What an absolute page-turner!...keeps you guessing before pulling off THE PERFECT ending!’ Anita

*Light Years* Aug 01 2020 This exquisite, resonant novel by PEN/Faulkner winner James Salter is a brilliant portrait of a marriage by a contemporary American master. It is the story of Nedra and Viri, whose favored life is centered around dinners, ingenious games with their children, enviable friends, and near-perfect days passed skating on a frozen river or sunning on the beach. But even as he lingers over the surface of their marriage, Salter lets us see the fine cracks that are spreading through it, flaws that will eventually mar the lovely picture beyond repair. Seductive, witty, and

elegantly nuanced, *Light Years* is a classic novel of an entire generation that discovered the limits of its own happiness—and then felt compelled to destroy it.

*The Lost Years* Jul 20 2019 The brand new spine-tingling thriller from the world's favorite thriller writer A fantastically page-turning new thriller from the world's favourite thriller writer, featuring all the twists, turns and chillingly close-to-the-bone storylines that her millions of fans know and love. Praise for Mary Higgins Clark: 'I adore Mary Higgins Clark' Karin Slaughter 'Teeming with tantalizing twists, Clark's crackling tale of identity theft, revenge, and murder is a tempting and thought-provoking thriller' *Booklist*

*The School Years* Sep 21 2019 *The School Years* provides a challenging and lively collection of essays on key issues affecting young people in the school setting. It is an essential book for all those concerned with adolescence and education. Since the first edition in 1979, major social changes such as unemployment, AIDS, issues of race and gender, and increasing divorce rates have had a direct impact on education and young people. With these dramatic changes in mind, the contributors take an entirely new and up-to-date approach to current controversial issues such as the relationship of home and school, gender roles, morality, delinquency, and peer groups. Contributors include: John Coleman, Trust for the Study of Adolescence; T. Honess, School of Psychology, University of Wales; Peter Kutnick, Department of Education, University of Sussex; Sally Archer, Trenton State College, USA; Philida Salmon, Institute of Education, University of London; Maurice Chazan; David P. Farrington, Institute of Criminology, Cambridge.

*The Butterfly Years: A Journey Through Grief Toward Hope* Jun 18 2019 In this raw, vulnerable memoir, Katty Douraghy chronicles her personal experience through grief after the death of six family members, including her parents and her stepparents, within a very short time frame. The journey through grief is unique and does not follow a set timeline or a clearly defined path. *The Butterfly Years* infuses hope and lessons learned along the way to show a different perspective on grief and mourning. Whether you are experiencing grief in the early weeks of a loss, or if your grief has transitioned over time to settle deep in your heart, *The Butterfly Years* reminds us that we are all on the journey through grief and toward hope together.

*The Panic Years* May 30 2020 Renowned journalist Nell Frizzell explores what happens when a woman begins to ask herself: should I have a baby? We have descriptors for many periods of life—adolescence, menopause, mid-life crisis, quarter-life crisis—but there is a period of profound change that many women face, often in their late twenties to early forties, that does

not yet have a name. Nell Frizzell is calling this period of flux "the panic years," and it is often characterized by a preoccupation with one major question: should I have a baby? And from there—do I want a baby? With whom should I have a baby? How will I know when I'm ready? Decisions made during this period suddenly take on more weight, as questions of love, career, friendship, fertility, and family clash together while peers begin the process of coupling and breeding. But this very important process is rarely written or talked about beyond the clichés of the "ticking clock." Enter Frizzell, our comforting guide, who uses personal stories from her own experiences in the panic years to illuminate the larger social and cultural trends, and gives voice to the uncertainty, confusion, and urgency that tends to characterize this time of life. Frizzell reminds us that we are not alone in this, and encourages us to share our experiences and those of the women around us—as she does with honesty and vulnerability in these pages. Raw and hilarious, *The Panic Years* is an arm around the shoulder for every woman trying to navigate life's big decisions against the backdrop of the mother of all questions.

French Armies of the Hundred Years War Mar 08 2021 The fourteenth and fifteenth centuries were a time of great upheaval for medieval France. In 1328 the Capetian line came to an end. This was the trigger for the Hundred Years War (1337–1453) as successive English kings attempted to uphold their claim to the French throne. Catastrophic defeats at Crécy and Poitiers shook the French kingdom to its core. A period of respite followed under Bertrand du Guesclin, but an even more devastating assault was to follow, under the warrior-king par excellence Henry V, and the French disintegration continued until 1429. This book details how the French began a recovery, partly triggered by the young visionary Joan of Arc, that would end with them as the major European military power.

*For Two Thousand Years* Aug 25 2022 Available in English for the first time, Mihail Sebastian's classic 1934 novel delves into the mind of a Jewish student in Romania during the fraught years preceding World War II. This literary masterpiece revives the ideological debates of the interwar period through the journal of a Romanian Jewish student caught between anti-Semitism and Zionism. Although he endures persistent threats just to attend lectures, he feels disconnected from his Jewish peers and questions whether their activism will be worth the cost. Spending his days walking the streets and his nights drinking and conversing with revolutionaries, zealots, and libertines, he remains isolated, even from the women he loves. From Bucharest to Paris, he strives to make peace with himself in an increasingly hostile world. *For Two Thousand Years* echoes Mihail Sebastian's struggles as the rise of fascism ended his career and turned his friends and colleagues against him. Born of the violence of relentless anti-Semitism, his searching, self-derisive work captures a defining moment in history and lights the way for generations to come—a prescient, heart-wrenching chronicle of resilience and despair, resistance and acceptance.

*The Biba Years* Nov 04 2020 Founded as a boutique mail-order service in 1963, Biba—the brainchild of designer Barbara Hulanicki—quickly gained cult status, and outgrew several London premises before landing at 99–117 Kensington High Street in 1973 as "Big Biba, the most beautiful store in the world." This book tells the story of the Biba years, from the first ensembles through the four London shops, to the eventual flourishing of a lifestyle brand that revolutionized British retail and fashion culture.
