Workplace Plus 4 Sep 14 2021 In addition to the ample opportunities for reading and writing practice contained in the Student's Book, the Workplace Plus Workbook contains further reading and writing exercises. The Workbook is valuable for homework or for in-class activities. An added feature is a test preparation activity for each unit, with CASAS-like and BEST Test-like items which

ensure that learners can “bubble in” and scope with the formats of standardized language tests. Workplace Plus, an innovative four-level ESL course, readies adults for self-sufficiency in the three principal areas of their lives: the workplace, the community, and the home. Workplace Plus integrates the CASAS life skill competencies and SCANS Competencies and Foundation Skills with a complete language syllabus and relevant social language.

English File 4E Intermediate Plus Workbook Jul 12 2021 English File's unique, lively and enjoyable lessons are renowned for getting students talking. In fact, 90% of English File teachers we surveyed in our impact study found that the course improves students' speaking skills.

Now I Know 4 Student Book Nov 16 2021 There are two versions of Student Book: with and without Online Practice. This version is without Online Practice. Features 12 units, with teaching material designed for at least 8 hours of English a week Unit title phrased as a big question sparks students' curiosity and builds engagement with the topic Students come up with answers throughout the unit and reflect on what they have learnt on the Now I Know page at the end Unit objectives phrased as simplified GSE descriptors appear at the beginning and at the end of the unit helping students see what they have learnt International English box highlights differences between British and American English BBC video clips (topic and story clips) enhance engagement and understanding of the topic One text per unit is factual, allowing students to gain non-ELT knowledge, and another text is a story focusing on a value Clear grammar practice helps students build confidence with the language Strategy boxes help teach all skills

This title covers units 1-8 and contains a collection of exercises and sample assignments, with worked solutions.

Patterns of Power Oct 23 2019 Jeff Anderson and literacy coach Whitney La Rocca take you into primary and intermediate classrooms where students are curious about language, engage with the world around them, and notice and experiment with the conventions all writers use. Instead of chanting grammar rules or completing countless convention worksheets, we invite young writers to explore conventions as special effects devices that activate meaning. Our students study authentic texts and come to recognize these "patterns of power"--the essential grammar conventions that readers and writers require to make meaning. The first part of the book introduces a vibrant approach to grammar instruction and sets up what you need to immerse yourself in the Patterns of Power process, inviting students to experiment and play with language. The second part of the book offers over seventy practical, ready-to-use lessons, including: Extensive support materials Over 100 mentor sentences, curated for grades 1-5 Student work samples Tips and power notes to facilitate your own knowledge and learning Examples for application In Patterns of Power Jeff and Whitney

suggest that taking just five minutes from your reading workshop and five minutes from your writing workshop to focus on how the conventions connect reading and writing will miraculously affect your students' understanding of how language works for readers and writers.

Emotionally Healthy Spirituality Expanded Edition Workbook plus Streaming Video May 22 2022

Peter Scazzero learned the hard way: you can't be spiritually mature while remaining emotionally immature. In the Emotionally Healthy Spirituality Workbook Expanded Edition (DVD/digital downloads sold separately), Peter outlines a roadmap for discipleship with Jesus that is powerfully transformative. He unveils what's wrong with our current definition of "spiritual growth" and offers not only a model of spirituality that actually works, but seven steps to change that will help you experience authentic faith and hunger for God. Though Peter was an experienced pastor of a

growing church, his life and faith remained emotionally unhealthy. Like so many in the church, he routinely: avoided healthy conflict in the name of keeping the peace ignored and suppressed emotions used work for God as an excuse to run from God lived without limits In this updated and expanded workbook, Peter helps you unpack core biblical principles to guide you into an experience of lasting, beneath-the-surface transformation in your relationship with Christ. The workbook includes session introductions, group discussion questions, application, and between-sessions personal study. This workbook is Part One of the Emotionally Healthy Discipleship Course that also includes the bestselling books, Emotionally Healthy Spirituality and Emotionally Healthy Spirituality Day by Day. Join us for a powerful journey that will walk you through a door that will change forever the way you love God, others, and yourself. Designed for use with the Emotionally Healthy Spirituality Video Expanded Edition (sold separately).
