**Bush and Mountain Flying** Aug 25 2022 This book focuses mainly on highly advanced techniques and skills required to operate safely in remote, challenging and extreme conditions. Any pilot who is looking for training or mentoring in Bush and Mountain Flying skills and techniques should seek it from an appropriately skilled, experienced and knowledgeable pilot in this field and not a flight instructor whose claim to fame is flying around the 'cabbage patch', or only flying charters or airliners. A flight instructor rating does not qualify one as an instant 'flight guru', knowledgeable in all aspects of flying, nor does it make one an appropriately skilled, experienced and knowledgeable pilot in bush and mountain flying. The techniques in this book explore the very edge of the airplane's performance envelope and include flying close to stall speeds at low altitudes and thus are extremely dangerous to inexperienced pilots without the required skills and judgement.

Open the door to the heart of your home and discover a whole new way of seeing and living within it. Praise: "You can never learn too much about Feng Shui, and Tisha's book 'breaks it down' cleanly and efficiently."—Karen Rauch Carter, author of the national bestseller, Move Your Stuff, Change Your Life [Mind, Body, Home] is useful for anyone who wants her home to be a reflection of what's in her heart and mind."—Geraldin Thomas, professional organizer featured on the A&E hit television show Hoarders "This is a down-to-earth resource for anyone who has wondered how Feng Shui works and wished that they knew how to do it."—Anna Jedrzejewski, Spirit Connection, New York, NY.

**Complicated Game** Apr 21 2022 Complicated Game offers a unique insight into the work of one of Britain's most original and influential songwriters—Andy Partridge. It is also an unprecedentedly revealing and instructive guide to how songs and records are made. Developed from a series of interviews conducted over many months, the book explores in detail some thirty XTC songs—including well-known singles such as 'Senses Working Overtime' and the controversial 'Dear God'—from throughout the group's thirty-year career. It casts new light on the writing of lyrics, the construction of melodies and arrangements, the process of recording, and the workings of the music industry. But it is also filled with anecdotes about Partridge, his XTC bandmates, and their adventures around the world, all told with the songwriter's legendary humor.

**Bare Bones** Mar 20 2022 #1 New York Times Bestseller A touching, funny, heart-wrenching, and triumphant memoir from one of the biggest names in radio, the host of *The Bobby Bones Show*, one of the most listened-to drive time morning radio shows in the nation. Growing up poor in Mountain Pine, Arkansas, with a young, addicted mom, Bobby Estell fell in love with country music. Abandoned by his father at the age of five, Bobby saw the radio as his way out—a dream that came true in college when he went on air at the Henderson State University campus station broadcasting as Bobby Bones, while simultaneously starting *The Bobby Bones Show* at 105.9 KLAZ. Bobby's passions were pop, country music, and comedy, and he blended the three to become a tastemaker in the country music industry, heard by millions daily. Bobby broke the format of standard country radio, mixing country and pop with entertainment news and information, and has interviewed some of the biggest names in the business, including Luke Bryan, Taylor Swift, Blake Shelton, Tim McGraw, Lady Antebellum, and Jason Aldean. Yet despite the glamour, fame, and money, Bobby has never forgotten his roots, the mom and grandmother who raised him, the work ethic he embraced which saved him and encouraged him to explore the world, and the good values that shaped him. In this funny, poignant memoir told in Bobby's distinctive patter, he takes fans on a tour of his road to radio. Bobby doesn't shy away from the curves he continues to navigate—including his obsessive-compulsive disorder—on his journey to find the happiness of a healthy family. Funny and tender, raw and honest, *Bare Bones* is pure Bobby Bones—surprising, entertaining, inspiring, and authentic.

**The Wright Choice** Sep 02 2020 Gabriella dreamed of a wedding in Italy with the guy she had crushed on for years, and it was all coming true. For her step-sister. Faced with the heartbreak, Gabriella silently deals with losing her childhood dream in front of the ones who snatched it from her. While she wades through her sister's fairy tale, trying to stay afloat in tears, she catches the attention of Mr. Wright. Ashton is forced to attend all the wedding festivities out of familial obligation, but Gabriella changes his perspective. He gets to see her if he shows up, and that's motive enough. Getting her to fall in love with him is a bonus. It isn't long until Gabriella realizes she had made the right choice in falling in love, but she had made it with the wrong guy. This *New Adult*, Cinderella retelling is full of sweet romance and first-love goosebumps.

**Easton** Oct 27 2022 It was on that deserted beach in Belize where I first saw him. Even from far away I could tell he was damaged. But I couldn't dwell on this stranger, when my own heart had been shredded by my cheating fiancée. It was not easy to avoid him in the coming days. He turned up everywhere and he wasn't alone. Darcy Nicole Sheridan was finished with players, but there was something about him that imprinted on my soul. A brief encounter, and then I went back to D.C. fully prepared to forget about the elusive E.J. But I would soon realize that was not to be. Our paths were destined to cross again in unexpected ways. I knew he was dangerous. I wasn't afraid. I knew he would break me. I would survive. I knew he had demons. But I didn't care. Everything about Easton should have sent me fleeing to save my heart. But it didn't. Our souls were drawn together by something neither of us understood. How would it all end? Adult Content (Previously published as "Night Moves.") \*Note: The *Alphas in Love* Series can be read as stand-alone, but are most enjoyable if read in order: 1) Slate, 2) Trace 3) Easton 4) Cruisin' With the G-Men 5) Taz 6) Weston 7) Bryce 8) Carson

**Gettysburg Heroes** Nov 04 2020 The Civil War generation saw its world in ways startlingly different from our own. In these essays, Glenn W. LaFantasie examines the lives and experiences of several key personalities who gained fame during the war and after. The battle of Gettysburg is the thread that ties these Civil War lives together. Gettysburg was a personal turning point, though each person was affected differently. Largely biographical in its approach, the book captures the human drama of the war and shows how this group of individuals—including Abraham Lincoln, James Longstreet, Joshua Lawrence Chamberlain, William C. Oates, and others—endured or succumbed to the war and, willingly or unwillingly, influenced its outcome. At the same time, it shows how the war shaped the lives of these individuals, putting them through ordeals they never dreamed they would face or survive.

**Can't Stand Up For Falling Down** Apr 09 2021 Allan Jones launched *Uncut* magazine in 1997 and for 15 years wrote a popular monthly column called *Stop Me If You've Heard This One Before*, based on his experiences as a music journalist in the 70s and 80s, a gilded time for the music press. By turns hilarious, cautionary, poignant and powerful, the *Stop Me...stories* collected here include encounters with some of rock's most iconic stars, including David Bowie, Lou Reed, Leonard Cohen, Van Morrison, Neil Young, Elvis Costello, The Sex Pistols, The Clash, The Smiths, R.E.M. and Pearl Jam. From backstage brawls and drug blow-outs, to riots, superstar punch-ups, hotel room confessionals and tour bus lunacy, these are stories from the madness of a music scene now long gone.

**Come Together** Jun 30 2020 As the greatest rock and roll band of all time, the Beatles rocketed to worldwide fame soon after their 1964 arrival in the United States. Much of their achievement can be attributed to the unique Beatle sound, but it was more than just the music that catapulted them to the summit of success, and kept them there even after the band ceased touring and broke apart. How the Beatles both failed and triumphed as businessmen and the lessons today's entrepreneurs and business leaders can draw from this unique journey is the subject of *Come Together: The Business Wisdom of the Beatles*. Authors Richard Courtney and George Cassidy recount the band's many exploits, from its early struggles in Hamburg to the success of Sgt. Peppers Lonely Hearts Club Band and beyond, revealing from a business perspective what worked and what didn't. More than the music, this book explores what it took to pass the audition.

**Read Me, Like a Book** Jun 11 2021 The catalogue for the 30 year retrospective exhibition of Robbin Ami Silverberg's artist books, held in the Pratt Institute Libraries, Brooklyn, NY, Jan 20 - April 9, 2020.

**The Art of Noise** Jan 18 2022 THE ART OF NOISE offers an unprecedented collection of insightful, of-the-moment conversations with twenty-seven great British songwriters and composers. They discuss everything from their individual approaches to writing, to the inspiration behind their most successful songs, to the techniques and methods they have independently developed to foster their creativity. Contributors include: Sting \* Ray Davies \* Robin Gibb \* Jimmy Page \* Joan Armatrading \* Noel Gallagher \* Lily Allen \* Annie Lennox \* Damon Albarn \* Noel Gallagher \* Laura Marling \* Paul Weller \* Johnny Marr \* and many more Musician-turned-author Daniel Rachel approaches each interview with an impressive depth of understanding—of the practice of songwriting, but also of each musician's catalog. The result is a collection of conversations that's probing, informed, and altogether entertaining—what contributor Noel Gallagher called "without doubt the finest book I've ever read about songwriters and the songs they write." The collected experience of these songwriters makes this book the essential work of songwriting—as spoken by the songwriters themselves.

**A Festival of Lights** Jun 18 2019 Handsome volume of panoramic images of nighttime India, pulsing with exotic surprises like no other country in the world. Driven by Foster's passion for India, this book marks the fiftieth anniversary since the artist began photographing there. Within a dreamy nocturnal world, he captures the changes in India that have occurred since his first visit: the explosion of population, the increase in traffic, and the proliferation of the naked lightbulb. A glorious book by an artist devoted to Mother India.

**Isle of Man Revisited** Mar 28 2020 Thirty years after the publication of the *Isle of Man* book I was in the process of preparing for my retrospective exhibition at the Village Folkwang in Germany and started to re-examine my "Isle of Man" negatives. I hadn't had an occasion to think about this work since the first edition of the book was published. Going through these negatives again I found new images that I now liked, but at the time had overlooked or had not used for reasons that now mystify me. I ended up with 250 photographs that I now think of as my "Isle of Man" archive. This new version of *Isle of Man* draws from that archive. The photographs in this edition keep, more or less, to the same order as the original book but I have changed some of the images, added thirty others, and printed them all larger. Chris Killip

**The Drum Programming Handbook** Nov 16 2021 (Book). This book is a complete course in the art of drum programming and the concepts and technologies behind it. It takes the reader from the earliest steps in using a digital audio workstation, through the development of an individual sound signature, and on to the achievement of professional results. Designed to accommodate users of any major drum programming application, it explores: the history of rhythm programming, digital audio workstations and how to use them, one-shot MIDI programming, samplers, romplers, advanced timing for swing and beat-mapping, loops and audio, creating drum sounds by subtractive synthesis, and production and FX. It culminates with detailed guidance on the creation of drum tracks for specific musical styles, ranging from pop and rock to jazz, reggae, drum 'n' bass, and glitch. The course unfolds through extensive use of workstation screenshots and audio examples. Along the way, helpful tips and practical exercises keep students motivated and engaged.

**Botanical Inks** Aug 01 2020 Learn how to transform foraged wild plants, plants, garden produce and recycled food into dyes and inks with Botanical Inks. The book shows you how to extract environmentally sustainable colour from the landscape and use it to create natural dyes for textiles, clothing, paper and other materials. Botanical Inks covers dyeing and surface application techniques, including bundle dyeing, Shibori tie-dyeing, hapazome, indigo sugar vat dyeing, wood-block printing, screen printing and more. And it also shows you how to turn your new inks, dyes and technique knowledge into wonderful projects, from a simple bundle-dyed a scarf to a block-printed tote bag. The process of turning plants into print can help you reconnect with nature, find a creative outlet and develop a mindful sense of presence. It also promotes an awareness of sustainable practices and how to reduce our impact on the planet.

**Colour** Oct 23 2019 Colour is all around us; we take it for granted as a naturally occurring element of all things. Yet colours are also manufactured, and the science of pigments, hues and dyes has an ancient and fascinating history. This book surveys the story of dyes and pigments, the invention of new colours and the industries that were fuelled by them. What were the colours of ancient Egypt? What did its artists use to paint their magnificent frescoes? Where do indigo and ochre come from? Why is purple the colour of royalty? What are pastels? How many colours are there? Why do we dye our food? Who invented ink? What is the symbolism of yellow? From cerise to crimson, from puce to periwinkle, this book is as rich, varied and delightful as a box of crayons.

**To Disco, with Love** Jun 23 2022 Over 250 Disco-era album covers—from sexy to silly, elegant to outrageous—that brings alive a time when fashion, politics, and sexuality all converged in harmony on the dance floor. Paging through *To Disco, with Love* is like catching Saturday Night Fever all over again. From Diana Ross and Donna Summer gazing fiercely from their chart-topping albums to the Village People's trademark costumes and the Bee Gees' blinding white jumpsuits, *To Disco* celebrates the days when the dance floor ruled the world. Gathered together and presented chronologically, these striking covers tell the story of a moment in time when art and photography, music, and dance changed the world. We see a rapid evolution, from the early days when Disco's roots were firmly planted in Soul, Latin, and Jazz, all the way to the digital revolution of the 1980s. Like fleeting moments caught in the strobe, these covers vibrantly capture our takes on fashion and beauty, wealth and status, sex, race, and even God. As the hair gets bigger, bell bottoms wider, and platform shoes steeper, the vibrancy and energy of this moment in music history is brought back to vivid life. Accompanied by insightful, spirited descriptions that showcase the evolving trends in photography, illustration, and design, *To Disco, with Love* charts the history of the music and the industry during its groovy heyday.

**Turning Over an Old Leaf** Feb 25 2020 In many South and Southeast Asian cultures, before printing, most books were palm leaf manuscripts: dried palm leaves, each leaf trimmed, incised and inked by hand, strung on a cord and stacked between wood covers to make a single copy of a book. Now that printed editions have replaced most of the earlier functions of palm leaf manuscripts, the traditional arts of palm leaf survive on different cultural and economic terms. This exhibition shows examples of work by contemporary palm leaf artists across five countries: India, Bali, Sri Lanka, Burma (Myanmar), and Thailand.

**The Library of Ice** Apr 28 2020 'A wonderful book: Nancy Campbell is a fine storyteller with a rare physical intelligence. The extraordinary brilliance of her eye confers the reader a total immersion in the riny realms she explores. Glaciers, Arctic flow, verglas, frost and snow -- I can think of no better or warmer guide to the icy ends of the Earth' Dan Richards, author of *Climbing Days* A vivid and perceptive book combining memoir, scientific and cultural history with a bewitching account of landscape and place, which will appeal to readers of Robert Macfarlane, Roger Deakin and Olivia Laing. Long captivated by the solid yet impermanent nature of ice, by its stark, rugged beauty, acclaimed poet and writer Nancy Campbell sets out from the world's northernmost museum - at Upernivik in Greenland - to explore it in all its facets. From the Bodelean Library archives to the traces left by the great polar expeditions, from remote Arctic settlements to the ice houses of Calcutta, she examines the impact of ice on our lives at a time when it is itself under threat from climate change. The *Library of Ice* is a fascinating and beautifully rendered evocation of the interplay of people and their environment on a fragile planet, and of a writer's quest to define the value of her work in a disappearing landscape. 'The writer and poet offers reflections on ice and snow that draw on art, science and history... a dreamlike book.' - The Guardian 'It is a sparkling and wonderful meditation on a substance we must cherish' - The Independent 'It is a pleasant brew infused with elements not only of travel and history, but also of memoir and personal reflection' - Literary Review 'Ms Campbell, a penniless but intrepid traveller, braves miserable bus journeys, freezing rain, dark and intense cold, but still manages to write rapturously of the beauties of the Arctic' - The Economist

**The Best Estimation in the World** Dec 05 2020 This collection of poetry, portrayed as eighteen interviews with employees at a resort development, examine the effect of the tourism industry on Bahamian identity. Created with text extracted from interviews run through a voice recognition software, the resulting distorted and fragmented language used to talk about building a resort development in The Bahamas felt closer to lived reality than any accurate transcription. This is a work of satire. Names, characters, businesses, places, events, locales, and incidents are either the products of the author's imagination or used in a fictitious manner. Any resemblance to actual persons, living or dead, or actual events is purely coincidental.

**Pulp Technology and Treatment for Paper** Dec 25 2019

**Wish for Amnesia** Jul 12 2021 A surreal novel about a family, and Time and Art and Science, Religion, Philosophy and Current Events spanning from 1940-1990, and pivoting around the 60's. Its locations are New York City, Rome, Italy, and their near countrysides. Wish For Amnesia chronicles five equally-weighted major characters: three family members, one artist and one rogue, two of whom behave supernaturally at times, one of whom murders another. The father, about whom the cast revolves, first appears as a hippie-leader at Columbia University. The book opens two generations before the main events, spans the lives of two characters, and closes in an unearthly (although unnamable, non-referent, and unmistakably fictional) dimension. It is gripping, funny, and not autobiographical, traditional in sentence structure but metaphysical and told almost like a fable. Several forms comprise the text: omniscient narrative, letters, journal entries, fictitious NY Times articles, aphorisms, quotations, definitions, dreams, and dialogue.

**Songs of America** May 22 2022 NEW YORK TIMES BESTSELLER • A celebration of American history through the music that helped to shape a nation, by Pulitzer Prize winner Jon Meacham and music superstar Tim McGraw "Jon Meacham and Tim McGraw form an irresistible duo—connecting us to music as an unending force in our nation's history."—Doris Kearns Goodwin Through all the years of strife and triumph, America has been shaped not just by our elected leaders and our formal politics but also by our music—by the lyrics, performers, and instruments that have helped to carry us through the dark days and to celebrate the bright ones. From "The Star-Spangled Banner" to "Born in the U.S.A.," Jon Meacham and Tim McGraw take readers on a moving and insightful journey through eras in American history and the songs and performers that inspired us. Meacham chronicles our history, exploring the stories behind the songs, and Tim McGraw reflects on them as an artist and performer. Their perspectives combine to create a unique view of the role music has played in uniting and shaping a nation. Beginning with the battle hymns of the revolution, and taking us through songs from the defining events of the Civil War, the fight for women's suffrage, the two world wars, the Great Depression, the civil rights movement, the Vietnam War, and into the twenty-first century, Meacham and McGraw explore the songs that defined generations, and the cultural and political climates that produced them. Readers will discover the power of music in the lives of figures such as Harriet Tubman, Franklin Roosevelt, Eleanor Roosevelt, and Martin Luther King, Jr., and will learn more about some of our most beloved musicians and performers, including Marian Anderson, Elvis Presley, Sam Cooke, Aretha Franklin, Bob Dylan, Duke Ellington, Carole King, Bruce Springsteen, and more. Songs of America explores both famous songs and lesser-known ones, expanding our understanding of the scope of American music and lending deeper meaning to the historical context of such songs as "My Country, 'Tis of Thee," "God Bless America," "Over There," "We Shall Overcome," and "Blowin' in the Wind." As Quincy Jones says, Meacham and McGraw have "convened a concert in Songs of America," one that reminds us of who we are, where we've been, and what we, at our best, can be.

**Cape Ann Narratives of Art in Life** Sep 26 2022 An anthology of twenty-eight stories about the creative lives of men and women from Cape Ann, Massachusetts, told in their own voices, based on interviews by the author. Full color images on every page.

**Murders On The Ridge** Aug 21 2019 Eight bodies were found in less than four hours in Briar County, Ohio. Every significant member of the Hatfield family of Briarton, their ages ranging from 16 to 44, were shot execution-style inside of four different homes not far apart. Local, Federal and State law enforcement officers have swarmed the community, interviewing more than 50 people and combing the wooded areas surrounding the crime scenes. Sheriff Charles Ridley called the investigation one of the largest in Briar County history. Ohio Attorney General Nick Devlin said the massacre was "pre-planned" and "sophisticated." A wealthy Ohio businessman out of Cincinnati, Ohio offered a \$25,000 reward to anyone with answers. But when the answers started to come, they only raised more questions. Fingers began to point, family conflicts grew, and before this crime was solved, one more local would be found dead. \*This novel is fictional, but based on true events that happened in Pike County, Ohio, in April of 2016.

**A week of kindness or the seven deadly elements** Oct 15 2021 The great surrealist's collage masterpiece was printed in 1934 in a limited edition of five now-priceless pamphlets. This single-volume edition contains all of the original publication's 182 bizarre, darkly humorous scenes of violent dreams and erotic fantasies. "One of the clandestine classics of our century." —The New York Times.

**Imaginary Letters** May 30 2020 "Imaginary Letters ... takes the form of eight letters addressed (by an unnamed narrator) to the imagined mother of Boris Polterasky, a White Russian exile living a bohemian life in Paris. The narrator loves Boris but it quickly becomes clear that Boris's interest lies elsewhere. This edition presents each letter in the novel separately, each set uniquely on different stock. Each letter is presented in an envelope and the envelopes held by a ribbon into what seems to be a cloth-bound book ... The form of each letter helps to reflect the passage of time and the changing mood of the book as it progresses; not all are easy to read, and there is a feeling of someone's notes to themselves, held keep-sake style for posterity."—Publisher's website.

**The McCartney Legacy** Jan 06 2021 Set against the backdrop of the Beatles splintering over both business and creative issues, The McCartney Legacy: Volume 1: 1969-73 covers a period in which Paul McCartney recreated himself, both as a man and as a musician. This is an in-depth and revealing exploration of his creative life beyond the Beatles—featuring hundreds of interviews with fellow musicians, tour managers, recording engineers, producers, filmmakers, and more. The story of the Beatles has been told many times, covering all periods and perspectives. Paul McCartney's work in the 50 years since the Fab Four's breakup has been extraordinarily successful and enduringly popular—his 26 post-Beatles albums have sold upwards of 86.5 million copies; McCartney's 2019 Freshen Up tour was the highest grossing tour ever, in the entire world; and his last solo album McCartney III debuted at number one on the UK Albums Chart and number two on Billboard 200. Beside his extraordinary, creative solo output, he has collaborated with the most influential artists of his generation and the next: from Elvis Costello to Stevie Wonder, from Michael Jackson to Dave Grohl, even with Johnny Cash and Kanye West. McCartney, too, has explored new poetry styles with Allen Ginsburg and teamed up with Peter Martins and the NYC Ballet to create Ocean's Kingdom. The list goes on from there. And he has done all this post-Beatles and while maintaining a mostly normal family life. Paul McCartney has lived ten lifetimes in the span of one and become increasingly more relevant, yet curiously, his creative output since the Beatles has never had the full exploration such a life and body of work demands. The McCartney Legacy gives McCartney's post-Beatles life and work the kind of in-depth treatment that Mark Lewisohn has given the Beatles, and Philip Norman has given John Lennon. It is the first truly comprehensive biography, and the most finely detailed exploration of McCartney's creative life beyond the Beatles, ever undertaken.

**Lost in Case** Feb 07 2021 Poetry. Women's Studies. LGBTQIA Studies. Art. "Are you feeling helpless and angry? I am. I'm having a quiet rage against the material and immaterial machine. Thank you for holding me. This book is a shard of frustration. It's a place to process emotion. Angry and curious, I recently dived into some dark online spaces that I hope one day will be lost, and documented words and phrases used about and against women. I'm working with the concept of printing itself: its terminology and actions are historically drawn from the human body. As an experimental letterpress printer, I often use words to give paper a hard time, and the audience can usually witness the marks left by my processes. In this physical book I have had to think flatter, within the restrictions of contemporary digital print processes."—Caren Florance

**Steven Leiber: Catalogs** Dec 17 2021 Beloved by collectors and scholars alike, Leiber's beautiful bookseller catalogs shaped the canon of publications. The pioneering San Francisco art dealer, collector, and gallerist who specialized in the dematerialized art practices of the 1960s and 1970s and the ephemera and documentation spawned by conceptual art and other postwar movements, produced a series of 52 iconic catalogs between 1992 and 2010.
